GENERAL ORDERS
NUMBER 50

15 March 1947

The death of Major General Frank Parker, United States Army, Retired which occurred at Chicago, Illinois on 13 March 1947 is announced with deep regret.

Upon his graduation from the United States Military Academy 12 June 1894, General Parker was appointed a second lieutenant of Infantry and subsequently passed through all the grades to that of major general which rank he attained in the Regular Army on 11 February 1929. He retired from active service on 30 September 1936, having reached the age of compulsory retirement.

General Parker was a graduate of the Army War College, General Staff School, Ecole d'Application de Cavalerie and Ecole Superieure de Guerre. In view of his special qualifications, General Parker was detailed a member of the General Staff Corps from 2 April 1927 to 2 April 1929. During this period he served as Assistant Chief of Staff, United States Army.

In the early years of his long and distringuished military career, he was on duty with his regiment at Tampa, Florida and in Puerto Rico.

During the ensuing years, in addition to details with the War Department General Staff he was on duty with his unit at various stations in the United States including duty as Instructor at the United States Military Academy. He also was a student at military schools in France and as Military Attache to Venezuela and Argentina and as Instructor in Organization of Cavalry in Cuba.

When the United States entered the World War, General Parker was serving as Observer with French Armies in the field and as Chief of American Military Mission at French General Headquarters. He later commanded the 18th Infantry and First Infantry Brigade and assumed command of the First Infantry Division 17 October 1918.

Following his return to the United States he commanded the Sixth Corps Area, the Philippine Department, the First Infantry Division, the Eighth Corps Area and Third Army, carrying out the functions of these important post-war assignments with characteristic ability and zeal.

For especially meritorious and conspicuous service, General Parker was awarded the Distinguished Service Medal. For gallantry in action on two separate occasions he was awarded the Silver Star with Oak Leaf Cluster.

His outstanding services were also recognized by foreign governments by the award to him of the Commander Legion of Honor (France), Commander Order of Crown (Belgium) War Cross with three Palms (France) Order of Military Merit (Cuba), Grand Cross Order of Crown (Italy), Commander of Polonia Restituda, Order of Saint Olaf (Norway) (1st Class).

Retirement from active duty with the Army was the beginning of many years of active work in National Security with the American Legion and other patriotic organizations. His devotion to his country and its security was never more clearly shown than by his completion of the draft of the Report of the National Defense Committee of the Union League Club of Chicago the afternoon of his death.

In the passing of General Parker the Country loses a distinguished and gallant soldier whose record bears ample testimony to his outstanding accomplishments and devotion to duty. Throughout his long military career of more than 42 years' service, he displayed those soldierly and personal qualities which won for him an enviable reputation in the profession to which he so ably devoted his life.
